

NEW FEATURES FOR BridgeNZ Web Result Hosting

With BridgeNZ result hosting there are now many ways to help you improve your bridge! Bridge Solver is now available to allow you to replay the deals.

Replay Deals from Pairs sessions with Bridge Solver

- ♠ From the Personal Scores menu there is a button at the right to replay the deals, starting from board 1 but you can scroll or select any board you wish from the deals.

The screenshot shows the 'Club Results Page' for the 'Peggy Cockerill Trophy' event. It features a 'NEW' label in red and a button labeled '[Replay Hands]' circled in red. Below this, it displays 'Pair 6 NS, MURRAY SPEDEN/STEVE HARDIMAN' with a score of 56.65 and IMPs of 228/378. A table of results is shown below.

Bd	NS	EW	Contract	By	Lead	Result	Score		MP	
							NS	EW	NS	EW
1	6	2	4 S	E	♦Q	-3	150		12	2

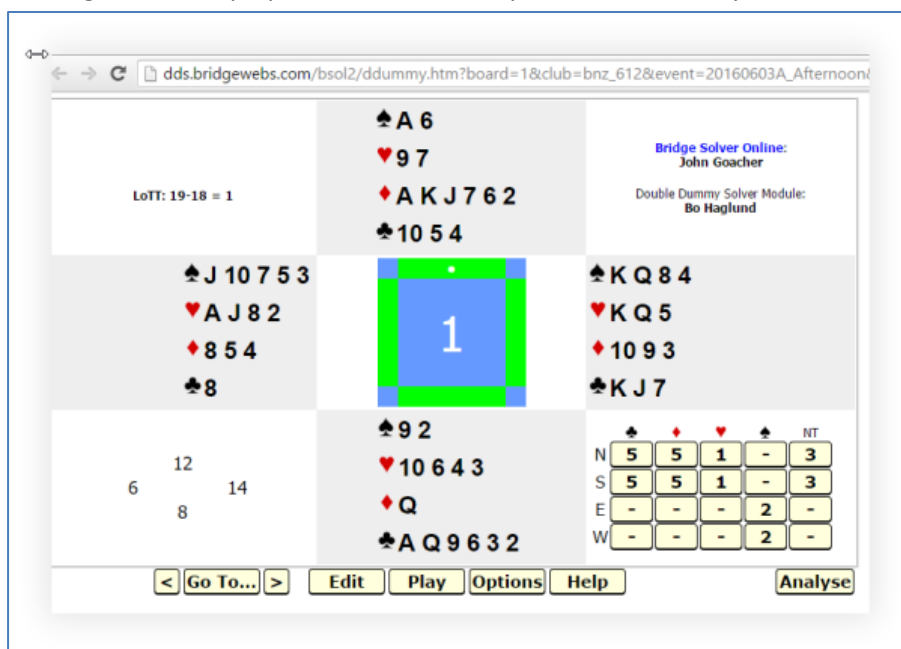

- ♠ From the display of each board, there is a 'Replay Deal' button next to the board number which allows you to replay the deals, starting at that board but you can scroll or select any other board in the set once you get there.

The screenshot shows the 'Board display' page for 'Board No: 1'. It features a 'NEW' label in red and a button labeled '[Replay Deal]' circled in red. The page displays event details for 'Gore Bridge Club' and a table of results for the board.

NS	EW	Contract	By	Lead	Result	Score		MP

- ♠ Clicking on the “Replay Deal” button will open a NEW TAB in your browser with the deal.

NOTE: You cannot bid the deal here, but you CAN see the best plays to make. The Help button explains what to do in Bridge Solver. When you click Play and select a contract, Bridge Solver shows you the number of tricks the side can make playing each card remaining in the hand. Try it to solve your toughest problems!

- ♠ Use the pbn file (Portable Bridge Notation) on the Results page. This allows you to download the deals and replay them with Jack Bridge, Bridge Baron or GoTo Bridge, all available for purchase from BridgeNZ ([Email Pat](#) or phone 027 404 4648 for more details).
