Bridge Results on the web

Our members can look on Taradale Bridge Club website for results or on Bridge NZ <http://www.bridgenz.co.nz/>. Bridge NZ has now added a new feature to the web results where you can replay hands with Bridge Solver.

Several of our members attended the team's event in Cambridge recently and enjoyed dressing up and playing in a multi grade event.

Sponsorship: We are grateful to our Sponsors and are at present updating our list. Please read through the list in the front of the Bridge book and let Neil McDonald (845 0142) know of any new businesses that might be interested in partnering with us. Also please make yourself known to our sponsors if you have the opportunity to use them.

Ngairé Bright Memorial Trophy:

Please get your nominations in for this new trophy. It will be presented to a deserving member who contributes as an awesome Club member. We know Taradale Bridge Club has many such people, which is why our Club functions so well.

Lost Property

Please check the property that has been left in our Clubrooms. If unclaimed, they will be given to Charity.

Enjoy your Bridge
