Hello Taradale Bridge Players. Bridge sessions started early this year and have been well attended. Many thanks to our Convenors for the great job they do. Remember to ring them if you want a partner.

Ngaire Bright has offered to take over the running of our website from Alan. Check out the website to keep up to date with upcoming events, news and photos. The Website is [www.taradalebridgeclub.org.nz](http://www.taradalebridgeclub.org.nz)

We are mindful of the welfare of our members. Please get in touch with our **Social Almoner**, Chris Stack if you hear of one of our members who would like a bit of extra support or acknowledgement.

**Beginner's lessons** are due to start on Wednesday 16<sup>th</sup> March. **Please spread the word to anyone you think may be interested.** Our members are welcome to attend. There will be no charge. **There is a copy of the poster attached, or you can pick one up from the clubrooms.**

Lyn held a "Have a Go" afternoon in January where there was an introduction and time to play Minibridge in a friendly relaxed environment. There was good interest shown from those attending. A successful refresher afternoon was also held.

## **Fish and chip evening**

These evenings are fun and informal, being a good social opportunity plus Bridge play. Please register on the list at the Club Rooms or ring Estelle Davis for more details. No partner is required. The next fish and chip evening will be on **Friday 1<sup>st</sup> April**, as the previous Friday is Easter.
