We have got many keen new members who have now finished lessons. Thanks to Lyn Bowcock and her helpers for the successful lessons. It is good to see the learners playing at our various sessions and also to see some playing in our Charity tournament and recent Junior/Novice Tournament. Lyn is planning another novice day on Sunday 28th August. More detail soon.

Bridge Results on the web

Our members can look on Taradale Bridge Club website for results or on Bridge NZ <http://www.bridgenz.co.nz/>. Bridge NZ has now added a new feature to the web results where you can replay hands with Bridge Solver.

Hosting:

Rona Driscoll from Taupo Club is coming to Taradale to direct our Open Tournament on 13th August. We are looking for someone to host her on Friday night and possibly Saturday night after the tournament. Please ring one of the committee if you can assist. Thanks.

Ngaire Bright Memorial Trophy:

This year a trophy is being donated to remember our valued friend and Bridge member Ngaire. The Committee want it to go to a deserving member who contributes as an awesome Club member. We know Taradale Club has many such people, which is why our Club functions so well. Please feel free to nominate someone and put nominations in the ideas box in the Club room, or give it to a committee member.

Enjoy your Bridge
