

TARADALE BRIDGE CLUB'S VISION FOR THE FUTURE

We want:

Within two years to have attractive, modern premises with sufficient and safe parking:

- Ensure our new building incorporates sufficient space for future growth, has a functional kitchen, bar area, outdoor furniture and effective air conditioning.
- Work alongside like-minded clubs to fully utilise our new facilities where there are positive synergies for our club
- Promotion of Bridge through publicity, advertising, word of mouth and being alert to any opportunity to enhance people's perception of our game.

A friendly and welcoming atmosphere

- Promotion of good etiquette with zero tolerance of negative and unacceptable behaviour.
- Encourage and support new members to make them feel comfortable and welcome
- An atmosphere that encourages maximum enjoyment at all levels
- Improved system for finding partners
- Instil a sense of belonging and pride in the club by celebrating members' successes through club announcements, the website and newsletters.
- Be an active part of the wider community, supporting local businesses and charities and sharing our facilities where appropriate.

Sessions that cater for all of our players

- Maintenance of our current sessions and expansion as appropriate to ensure all players can enjoy success at their own level
- Encourage members to take part in local and district tournaments

A good teaching programme to support player development

- Annual series of lessons for beginners
- Follow up lessons for new players
- Regular lessons for junior and for intermediate players
- Continuation of regular senior/junior sessions

An enthusiastic, capable committee:

- Remain financially sound and be organised in a professional but friendly manner.
- Ensure continuation of excellent communication to members

To keep up to date with new technology

- Have a long term plan and budget to ensure the continuous upgrade of our technology.
